

FEDERAL HIGHWAY ADMINISTRATION (FHWA)

A MESSAGE TO OUR CUSTOMERS

*We in the **Federal Highway Administration** are committed to working with you, our customers and partners, to keep America moving safely, comfortably, economically, and without harm too our environment. Stimulated by the President's and Vice President's National Performance Review initiative and our commitment to excellent service, we have taken many step to increase our efforts to understand our customers' needs and expectations and to strengthen our partnerships with all levels of government and the private sector. Through FHWA-wide quality initiatives, we have renewed emphasis on customer service, public participation, and continuous quality improvement to ensure that we add unique value to our Nations's transportation system.*

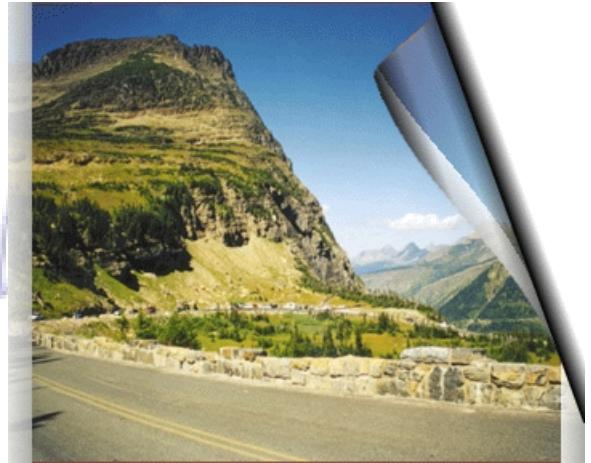

WHO ARE WE

*The **Federal Lands Highway Program** provides access to and within national forests, national parks, Indian reservations, and other public lands by preparing plans, letting contracts, supervising construction facilities, and conduction bridge inspections and surveys. **The Federal Lands Highway Divisions** (**Eastern**, **Central**, and **Western**) provide , within their respective geographical jurisdictions, highway engineering and construction related services to other federal agencies, FHWA offices, and foreign countries; and carry out technology and training acitivities.*
