Navigable Waterway
Urbanized Area
National Park Facility
Major Airport
Major Port
Urban Area with Rail Transit
Border Crossing

Data provided by the U.S. Department of Transportation agencies, the U.S. Army Corps of Engineers, and the National Park Service, and are current as of 1995. Major airports are those that reported more than 250,000 enplanements in 1994. Major ports are those that handled more than one million tons of freight in 1994. Urban area with rail transit denotes urban areas with heavy- or light-rail transit.
