

9.0 Additional Documentation

A significant amount of detailed design, test, installation and user documentation is available about the TransGuide project. These documents can be downloaded from the TransGuide WWW page located at www.transguide.dot.state.tx.us. The following documents are available:

- Data Server:
 - Southwest Research Institute. Common Software Model Deployment Initiative System Design Document, Version 1.0. June 1998.
 - Southwest Research Institute. Common Software Model Deployment Initiative Version Description Document, Version 1.0. June 1998.
 - Southwest Research Institute. Data Server Model Deployment Initiative System Design Document, Version 1.0. January 1998.
 - Southwest Research Institute. Data Server Model Deployment Initiative Acceptance Test Plan, Version 1.0. January 1998.
 - Southwest Research Institute. Data Server Model Deployment Initiative Software Users Manual, Version 1.0. June 1998.
 - Southwest Research Institute. Data Server Model Deployment Initiative Version Description Document, Version 1.0. June 1998.

These documents can be downloaded from the TransGuide World Wide Web page.

- AVI:
 - Southwest Research Institute. Automated Vehicle Identification Model Deployment Initiative System Design Document, Version 1.1. June 1998.
 - Southwest Research Institute. Automated Vehicle Identification Model Deployment Initiative Acceptance Test Plan, Version 1.0. December 1998.
 - Southwest Research Institute. Automated Vehicle Identification Model Deployment Initiative Software Users Manual, Version 1.0. June 1998.
 - Southwest Research Institute. Automated Vehicle Identification Model Deployment Initiative Version Description Document, Version 1.0. April 1998.
- AWARD:
 - Southwest Research Institute. Advanced Warning For Railroad Delays (AWARD) Model Deployment Initiative System Design Document, Version 1.0. January 1998.
 - Southwest Research Institute. Advanced Warning For Railroad Delays (AWARD) Model Deployment Initiative Acceptance Test Plan, Version 1.0. November 1997.
 - Southwest Research Institute. Advanced Warning For Railroad Delays (AWARD) Model Deployment Initiative Software Users Manual, Version 1.0. July 1998.
 - Southwest Research Institute. Advanced Warning For Railroad Delays (AWARD) Model Deployment Initiative Version Description Document, Version 1.0. July 1998.
- Traveler Information Kiosks:
 - Southwest Research Institute. Traveler Information Kiosk Model Deployment Initiative System Design Document, Version 1.0. March 1998.
 - Southwest Research Institute. Traveler Information Kiosk Model Deployment Initiative Acceptance Test Plan, Version 1.0. November 1997.
 - Southwest Research Institute. Traveler Information Kiosk Model Deployment Initiative Software Users Manual, Version 1.0. July 1998.
 - Southwest Research Institute. Traveler Information Kiosk Model Deployment Initiative Version Description Document, Version 1.0. July 1998.
- In-Vehicle Navigation:
 - Southwest Research Institute. TransGuide In-Vehicle Navigation System High Speed FM Subcarrier Communications Protocol, Version 1.1. March 1998.
 - Southwest Research Institute. In-Vehicle Navigation Model Deployment Initiative System Design Document, Version 1.0. January 1998.
 - Southwest Research Institute. In-Vehicle Navigation Model Deployment Initiative Acceptance Test Plan, Version 1.0. January 1998.
 - Southwest Research Institute. In-Vehicle Navigation Model Deployment Initiative Software Users Manual, Version 1.0. March 1998.
 - Southwest Research Institute. In-Vehicle Navigation Model Deployment Initiative Version Description Document, Version 1.0. May 1998.
- LifeLink:
 - Southwest Research Institute. Emergency Medical Services: LifeLink Model Deployment Initiative System Design Document, Version 1.0. January 1998.
 - Southwest Research Institute. Emergency Medical Services: LifeLink Model Deployment Initiative Acceptance Test Plan, Version 1.0. December 1997.
 - Southwest Research Institute. Emergency Medical Services: LifeLink Model Deployment Initiative Software Users Manual, Version 1.0. April 1998.
 - Southwest Research Institute. Emergency Medical Services: LifeLink Model Deployment Initiative Version Description Document, Version 1.0. April 1998.
 - Southwest Research Institute. Emergency Medical Services: LifeLink Model Deployment Initiative Systems Users Manual, Version 1.0. May 1998.

Model Deployment Partners:

Texas Department of Transportation
City of San Antonio
VIA Metropolitan Transit

Report by:
