VENDORS

What did you learn? How will you use it?

NATMEC

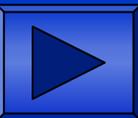

data

management

freight/ITS

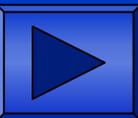

data

- Quality
- Sharing
- Usability

What did you learn? How will you use it?

management

- Data Integration/Management
- Leveraging traditional data sources
- Innovative data collection procedures
- Future applications

What did you learn? How will you use it?

freight/ITS

- Big data gaps
- Freight flow maps
- Integration of diverse data sources
- Level of accuracy/robustness
- Diverse demands of freight data

What did you learn? How will you use it?

freight/ITS

ITS

- Congestion Management in urban areas
- Urban traffic data collection
- Data from ITS systems
- Gaps between collectors and users
- Visualization of data

What did you learn? How will you use it?

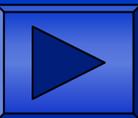

Weigh-In-Motion

- Enterprise work/User information
- Application of available equipment
- Basic applied research

What did you learn? How will you use it?
