WHERE WE ARE NOW

Currently we are in the Analysis Phase:

- *ITS/CVO Technical Training Work Plan (Completed January 23, 1997)*
- *Workshops completed by APL (February 1997)*
- *Focus Groups/Skills Assessments (underway now)*
- *Final Skills Assessment Report (late April)*

WHERE WE ARE GOING

- *5-Year Strategic & Training Management Plan (finalized Spring 1997)*
- *Specific Course Development (commencing Spring 1997)*
- *ITS/CVO Management Training Pilot (commencing March 18, 1997)*
- *First Pilots Complete and Ready for Implementation (Fall 1997)*
- *Majority of Courses in Implementation Phase (early 1998)*
- *Program Management and Course Refinement (throughout 1998 and beyond)*
